

R Series

See ECG Cable Cross Reference Guide for compatibility to specific monitors.

R Series ECG Safety Cable System

Excellent monitoring results while removing the potential of electrical shock from exposed pins. Provides an inexpensive solution to ECG cable and leadwire needs. Provides the ability to standardize on one cable system throughout the facility. Cables are available in 3 and 5 lead versions. Leadwires are available as snap or grabber in a variety of lengths. Backed by a one year Cable Warranty. Specifically designed to accept the leadwires from CONMED's Pediatric/Neonatal ECG electrodes.

	Ref. No.
3 Lead Cable — Blk, Grn, Wht	R3_ _
3 Lead Cable (Lead II) — Blk, Red, Wht	R3_ _ II
5 Lead Cable	R5_ _
